

ESSENTIAL DRAWING EQUIPMENT

Complete drawing kits will be available to buy from the Department of Engineering but will be on a limited supply, first come first served basis. They will be available to buy from the Stores between 14.15 and 15.00 and payment will need to be made by card.

Individual items will also be available from the new vending machine located in the Design and Project Office (DPO).

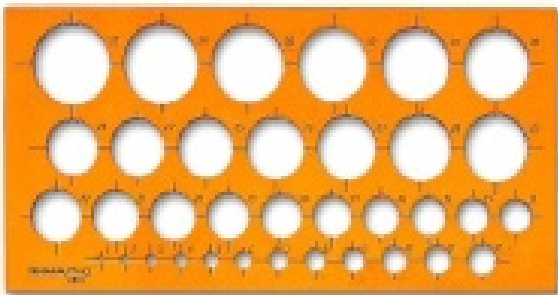

Ecobra Geometry Compass Matt Nickel Plated, Part Number 3754, is available from Amazon, Teloman.com and other suppliers.

If you choose to purchase a different compass than the model we have recommended, you must purchase one that holds Lead inserts, it must NOT take pencils.

Rumold Geodreieck Protractor, Part Number 1026, is available from a number of suppliers.

We would strongly recommend you buy this product although you can buy an equivalent.

Rumold Circle Template, Part Number 2812, is available from a number of different suppliers.

Please ensure the one you purchase has a similar range of circle sizes to the one we recommend.

ESSENTIAL DRAWING EQUIPMENT

Shine Plastic Eraser, Part Number E210A or 760402, is available from a number of suppliers and we would strongly recommend you buy this eraser as it works very well on our drawing paper.

Other brands have not had the same effect in the past.

12" or 300mm Acrylic Rule.

Can be purchased from many different suppliers.

Please ensure the one you buy has both Metric and Imperial measurements.

'H' or 'HB' Rated Pencil, this is widely available from a number of shops and suppliers.
